

Fluren 49 Soot- & Nicotine Cleaner

Product properties

Efficient cleaning agent.

- Restoration of fire damages
- Removes soot and nicotine
- Removes grease and oil

Labelling

Product use

Use it on surfaces contaminated with nicotine, soot and tar residues, e.g., smoky rooms, tarry soot, fire damages, etc. or if some places got dirty with drawing ink, e.g. walls or doors. Also removes grease and oil.

Treatment

Mix 1 part Fluren 49 with 10 parts of pure water. Apply the mixture using a cloth, a sponge or a soft brush. Leave for approximately 5 minutes before washing the surface with pure water. If you want a blocking effect, treat afterwards with Flügger Iso 5. Finishing treatment with the desired wall or ceiling paint.

Useful Information

If the result does not live up to your expectations, clean once more.

Environmental information

Remove the cap before recycling

Storage

Cool, frost-free and tightly closed
